

Kids Picnic Table Plan

MATERIALS AND TOOLS:

- (2) 2x6" x 8' and (6) 2x4" x 8' pieces of douglas fir or pressure-treated lumber
- (60) 2 1/2" decking screws, saw, drill, speed square, tape measure

BUILD INSTRUCTIONS:

- Build tabletop first, next attach legs, then seat supports, finally seats and braces
- All table pieces are 2x4" except for the tabletop
- Use (2) 2 1/2" screws for each connection point
