

GrowNYC Impact

Since 1970, GrowNYC has believed that everyone can make a positive impact and that collective action is necessary to secure a clean & healthy environment for future generations.

As a nonprofit organization, we rely on donations to support our work:

Conservation: We work to make it second nature for all New Yorkers to lead environmentally conscious lifestyles through conservation of our natural resources.

Education: We engage all New Yorkers in environmental stewardship and education to win the fight against climate change.

Food Access & Agriculture: We create opportunities for all New Yorkers to be active participants in creating an equitable food system that supports small farms and keeps people and the planet healthy.

Green Space: We help NYC schools and neighborhoods create and maintain gardens, bringing people together, creating beauty, combating climate change, and adding vital green space to our city.

Becoming a monthly donor is the most sustainable way to support our programs! Monthly donations provide support for our work all year long. With a stable base of monthly supporters, GrowNYC can focus on long-term planning and invest in initiatives that have a lasting impact on our mission and the communities we serve. www.grownyc.org/donate

Greenmarkets are part of a network of food access retail locations operated by GrowNYC.

Greenmarket promotes regional agriculture and ensures a continuing supply of fresh, local produce for all New Yorkers. Greenmarket supports farmers and preserves farmland for the future by providing regional farmers with opportunities to sell their fruits, vegetables and other products at our open-air farmers markets throughout New York City.

GREENMARKET TURNS 50!

Since 1976, GrowNYC Greenmarkets have connected regional farmers with New Yorkers across all five boroughs, shaping the city's food culture and expanding access to seasonal, locally grown food. What started in a parking lot on 59th Street has evolved into a beloved New York City institution, enriching countless lives along the way. Thank you, Greenmarket shoppers, for making Greenmarket your go-to for fresh food!
